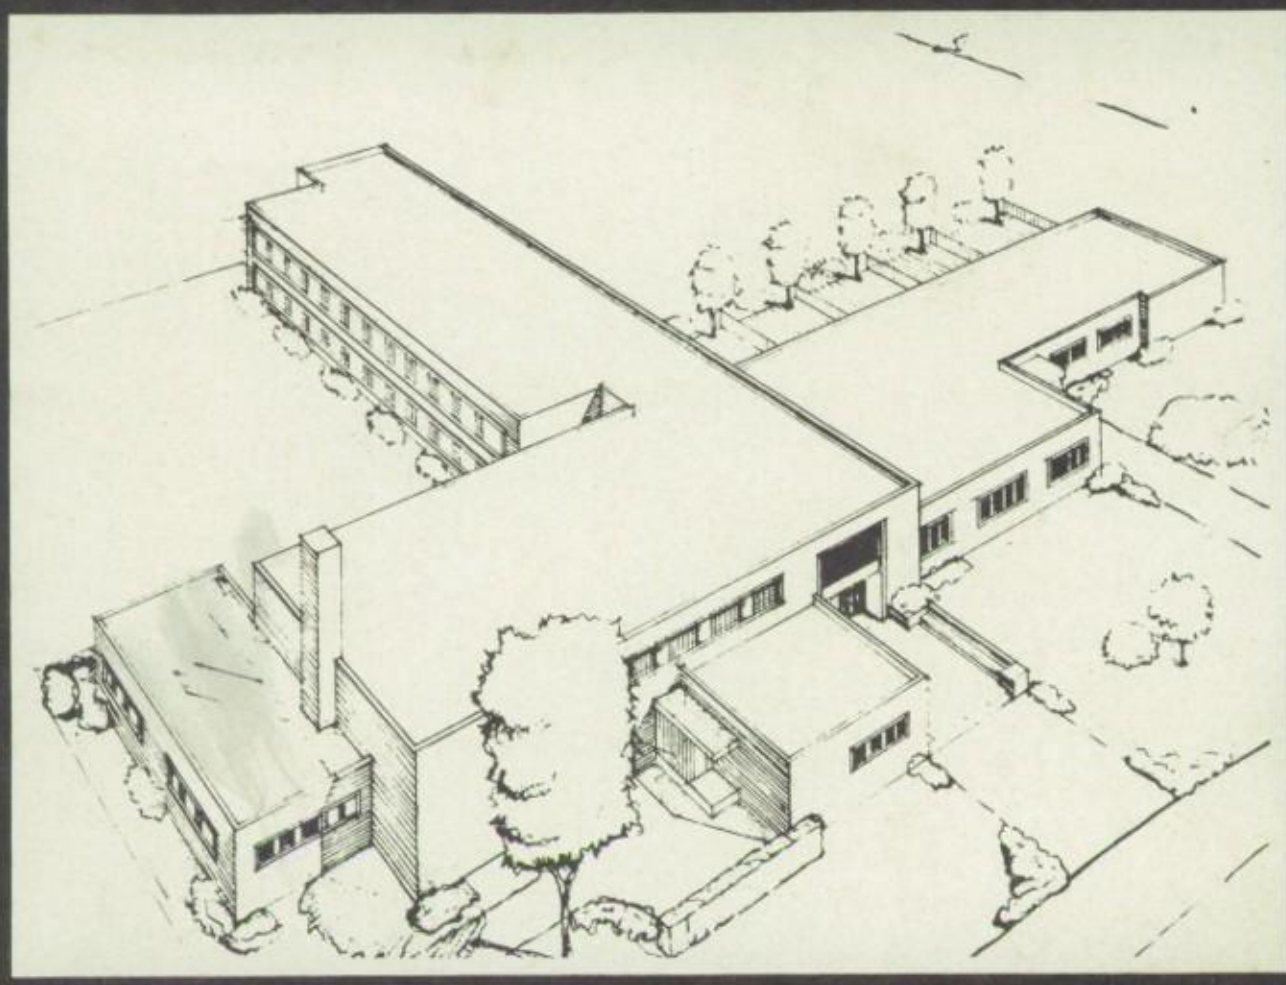
FOREWORD



The architect's drawing of the new elementary school, which is being built on Morris Road, is shown above. This building is a symbol of the tremendous growth of our school since its beginning in 1929 when a group of "one-room" school houses was consolidated. As our community grew, our school grew. We built many new additions to our school, but it seemed that no matter how fast we built, the community grew faster. During this growth, the people of our township were indeed progressive citizens who always voted "yes" for school bond issues because they wished their children to have the best school that could be provided. Because of their progressiveness we now have one of the finest educational plants in the state. Where are we going now? No one knows where, but we are sure our community will be moving forward.

Our annual this year has endeavored to show our school in every phase of its activities in and out of the classroom. Our chief aim has been to show life at Fairfield School. We have chosen "School Days in Review" for our theme. Our theme is not the usual type of theme; it is a panoramic review of our life at Fairfield School. The people of our school and their activities have dominated this year's book, instead of a superficial theme concerning a subject in no way related to Fairfield. We feel our review will speak for itself without being hidden by the type theme which means nothing to us. Our review has tried to interpret our school—not change it. We sincerely hope we have accomplished this task. Our whole staff has been dedicated to one thing—our school, and our only hope is that we have done it justice.

CHARLES SHIVELY, *Editor*

Our present buildings are pictured here. These buildings represent the tremendous growth of our school system. Over 2,000 students are housed in these buildings. Grades one through seven are in the buildings to the right, and grades eight through twelve are in the new building above.

OUR 1954 HOMECOMING

The 1954 Homecoming celebration and court are shown above. In the above picture, left to right, are: Butch Wolfrom, flower bearer; Wilma Foote, attendant; Janice Lang, attendant; Marilynn Stapf, queen (also shown in circle); Susan Arnold, attendant; Joan Crawford, attendant, and David Schul, flower bearer—the Homecoming Court. Our homecomings are always scenes of reunion with past class members. This year alumni—Football players, cheerleaders, majorettes, and past students—were welcomed back. The celebrations started at the football game, lasted throughout the weekend, and ended at the Homecoming Dance.

AND THEIR CHIEF

Galen McCollum

The lettermen from last year got off to a slow start. Their defense was good but their shooting eyes were off. As the season progressed the team's eye for the basket improved. The defense was tight and it won some of the games for us. An exceptionally low scoring contest was recorded against Xenia East. Fairfield held the ball until a very good shot appeared. The final score was Fairfield 34—Xenia East 27.

The highlights of the season were the twin victories over Hamilton Catholic, 50-46 and 57-55. Both contests were hard fought and both teams played their hearts out.

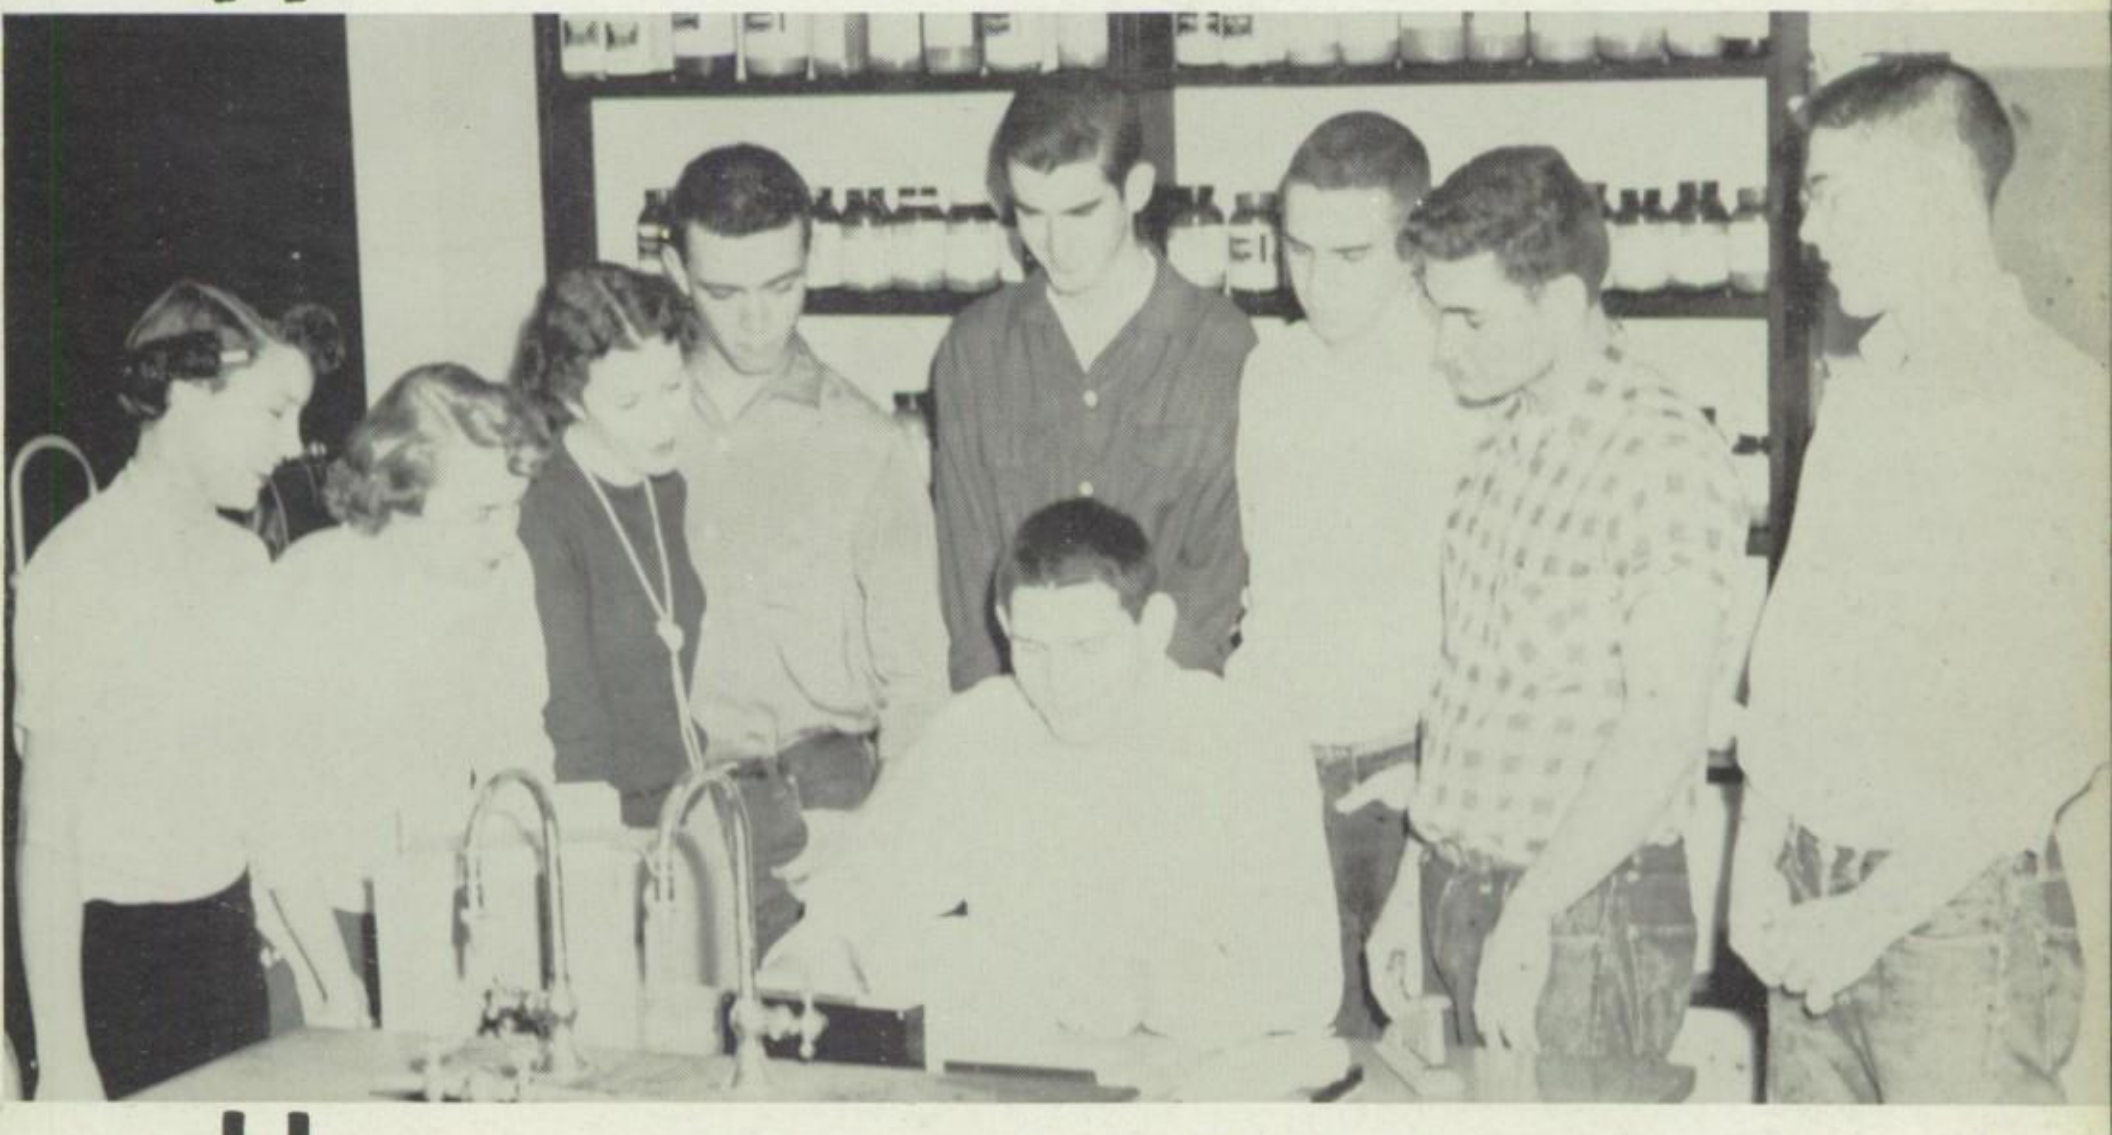
With stares in their eyes the Seniors look forward to a new world as graduation time rolls around. For four years the Class of '55 has wondered what it would be like, and now the time is here. But there is also time for remembering—the Freshman Dance, Freshman Carnival, Spaghetti Skips, Junior-Senior Proms, Junior and Senior Plays, Homecoming, Basketball, and Football games, and all the other joyous events. The following pages are dedicated to this year's Senior Class and their many memories.



The Senior Class Executive Committee, which consists of the class officers and four other elected members, is shown above during a meeting in the Chemistry Lab. They are (Seated) Louis Abner, President; (From left to right) Lucille Power, Advisory Council Rep.; Mary Alice Bissell, Secretary; Marilyn Stapf, Treasurer; Bill Merz; Trent Bowman; Bill Schul; Charles Shively, Vice President and Advisory Council Rep.; and Fred Eickelberger.

The Home Room Mothers' Committee and the P.T.A. have sponsored a group of teas for each grade. These teas have been very helpful in bringing about better co-operation between parents and teachers. Mothers visit their children's classrooms and later are served refreshments. A program is presented by each grade for the mothers. It consisted of singing, art demonstrations, and Girl Scout programs. Mr. Potts and Mr. Jewell spoke. Mr. Jewell, elementary principal, said, "These teas serve as a media to bring about a better understanding of the school by parents and the problems of the home by the teachers —all working toward a better understanding of the pupil."
